FRESHMAN ORIENTATION PROGRAM

FALL, 1945

In order to help Miss Freshman during her first few days of college life, which might otherwise be apt to seem more than a little bewildering and overpowering to her, college officials have planned a Freshman Orientation Program which has a four-fold purpose:

1. To welcome the freshman into the college community.
2. To provide her an opportunity for "making herself at home" and becoming acquainted with the college.
3. To give her information and advice that will help her become adjusted to her new environment.
4. To help her in the routines of entrance and registration.

Although conditions may necessitate some minor changes in the following program, the new student should save it. She will find it useful.

(Note—New students are required to report in the auditorium of George Washington Hall at 9:30 on Monday morning, September 17. It would be well if students who reside at a distance from Fredericksburg would plan to arrive at the college on Sunday, September 16, the first day that the dormitories will be opened to students. A cafeteria supper that evening will be the first meal served at the college.)

ORIENTATION COURSE FOR FRESHMEN

Since college administrators realize that the transition from high school life to college life is sometimes a little puzzling for Miss Freshman, they have arranged to offer during the fall quarter a course that will enable her more easily to become accustomed to her new environment and her new career.

Under the general supervision of Miss Margaret Swander, director of student personnel, various members of the faculty will meet the freshman class once a week during the coming fall quarter to impart

advice and instruction of the kind not easily to be found in textbooks.

The first meeting of the course will take place at 9:30 a. m. on Wednesday, September 19, and subsequent meetings are to be held at 12:30 p. m. on Thursdays in the auditorium of Monroe Hall. Every freshman student will be required to attend. The topics to be discussed and the names of the professors who will talk about them follow:

Sept. 19—How to adjust to your roommate(s) and your professors, Dr. Eileen Dodd; Library facilities including the Mendel Museum, Virginia Room, etc., Dr. Quenzel. (These two topics will be presented at 9:30 a. m.).

Sept. 27 — How to study. Common causes of failure, Dr. Drake.

Oct. 4—Budgeting time and energy, Dr. Castle.

Oct. 11—Opportunities offered by extracurricular activities, student leaders.

Oct. 18—How to insure your health. Sensible eating, exercise, and recreation, Dr. Whitticar.

Oct. 25—Personal grooming. Care of hair, skin, clothes. Appropriate campus apparel, etc., Miss Harrison.

upper classmen, faculty, visitors, etc., Miss Swander.

ALMA MATER

Eager voices singing!
Swelling high and clear!
Happy hearts their praises bringing
Alma Mater, dear!
Alma Mater, can you
Hear us as we sing?
Praise to thee, dear Alma Mater,
Loyal hearts do bring.

Giver of all knowledge,
Hear us as we pray:
God, our Father, bless our college,
Hear our prayers today!
Alma Mater, can you
Hear us as we sing?
Praise to thee, dear Alma Mater,
Loyal hearts do bring!

MARY WASHINGTON MARCHING SONG

Let's raise a cheer for Mary Washington,
You know we'll love her 'til we die—
The happy hours in our college,
Friendship and knowledge—
We'll hold her standards high,
And when we leave dear Mary Washing-
ton
Still all the world shall hear us say,
We're mighty proud of Alma Mater—
M. W. C. will live for aye!

AN EXPLANATION OF THE HONOR SYSTEM

The Honor System requires that a man or woman shall act honorably in all the relations and phases of student life. Lying, cheating, stealing, or breaking one's word of honor under any circumstances are considered infringements of the Honor System. The result in such cases will always be dishonorable dismissal from the college. The pledge in classes on quizzes, examinations, written problems, and exercises, means that the work which the student hands in to her professor is her own, which she herself has done in accordance with the requirements of the course as laid down by the professor. The faculty will co-operate in establishing a clear understanding of these requirements. In any case of doubt as to the nature or extent of a pledge the student should immediately request that the professor in charge make the requirements perfectly clear to the entire class.

The Honor System requires in the second place that, when a student sees another student in suspicious circumstances, she shall investigate the matter as secretly and as speedily as possible, and if she finds evidence of guilt, shall accuse the suspected student to her face. It is imperative that everyone recognize this duty of protecting the Honor System and the student body. Anyone who sees another stu-

dent in suspicious circumstances and fails to investigate the matter is herself guilty of a breach of honor. Loyalty to the student body demands that one make this investigation. This can in no way be construed as spying or tale-bearing. It is the finest expression of loyalty to a cherished tradition of honor among a community of students who wish to cooperate and work to the best interest of all concerned. Offenses involving honor or any other serious offenses are referred to Joint Council. Joint Council is composed of the four major officers of Student Government elected by the student body and three members of the faculty appointed by the Administration.

It is always advisable to associate two or three students, if possible, in making an investigation. All materials having any connection with the case should be summarily taken possession of by the investigators, if need be against the wishes of the suspected person, as a matter of protection to all interests concerned. It is important to understand that the investigating students are the first to pass on the guilt or innocence of the suspected person; if they believe her to be guilty, they shall demand that the accused leave the college immediately; the right to appeal to Joint Council rests alone with the accused. In all fairness to a person accused, those who make the charges should have the precise breach of honor clearly fixed in their own minds. A student may not drop a charge

upon the agreement of the accused to resign from the college; if a breach of honor is suspected, the ultimate result must be the quasi-public dishonorable dismissal in every case where the accused is believed to be guilty. Furthermore, if a student leaves the college "under a cloud"—for example, after being involved in cheating or some other dishonorable act, jurisdiction is retained by the student body to investigate the case, and after giving the suspect an opportunity to return and face the charge, to report to the Dean of the College and to the Registrar that such absent student is not entitled to an honorable dismissal.

It is also important that every student should exercise the greatest care to keep herself free from the suspicion of evil. Such practices as leaving the examination room for any length of time unaccompanied, or bringing text and note books into the examination room, or carelessly glancing toward another student's papers—these are heartily condemned by the Honor Committee. While such acts do not themselves constitute an infringement of the Honor System, such practices are highly dangerous both for the individual and for the continued well-being of the student body as a whole.

Students entering the college for the first time who may not be acquainted with the Honor System should familiarize themselves thoroughly with the provisions of

this Code and what is expected of them as students at this college since a plea of ignorance will not be accepted by Joint Council.

HONOR—OUR CODE OF LIVING

Mary Washington College offers its students the opportunity for self-reliance and personal responsibility which is possible through Student Government. Self-government can be successful only when it is founded on an Honor System. Honor is an elusive quality, hard to define, but upon its presence or absence depends the success or failure of our student life. The Honor System has been passed down to us as a precious heritage and each year we are looking toward a fuller realization of this ideal. It is not a set of rules but a group of ideals and traditions made possible by higher standards of personal honor and individual responsibility. This system is democratic in that it gives each girl a share in student conduct, attitude, and loyalty—a system successful only with the hearty cooperation of everyone.

A Mary Washington girl's word is her bond, and it is expected that she will justify the confidence of her fellow students at all times and under all circumstances. Not a written code of laws and regulations but the unwritten standards underlying the conduct of all gentlewomen guide the conduct of a student at Mary Washington College.

HONOR CODE

I, as a student and citizen of Mary Washington College, do hereby resolve to uphold the honor of the College by refraining from giving or receiving academic material in a manner not authorized by the instructor; from the illegal appropriation of the property of others; and from the deliberate falsification of facts. I shall do all in my power at all times to create a spirit of honesty and honor for its own sake both by upholding the Honor System myself and by helping others to do so.

Each student is urged to read the Handbook carefully.

I. School Work.

1. Students shall be considered on their honor in all oral and written class work, in all assignments, in the library, and in the general use of college property. Any violations of these standards or of regular library regulations shall be considered a Student Government offense.

2. No test, examination, thesis or report on parallel reading will be accepted by an instructor which does not contain the following pledge written out in full and signed: "I hereby declare upon my word of honor that I have neither given nor received help on this examination (test or assignment)."

3. Any student whose work is unsatisfactory may have week-end or town privileges curtailed or withdrawn entirely.

II. Class Organization.

1. All class dues must be paid by November 15th, except those of the Freshman Class, which must be paid by December 15th. Students who do not pay their dues by the above dates will not be considered active members of their respective class organizations until such time as dues are paid and will not be granted class privileges, such as voting, holding offices, attending class meetings and class functions, nor will they be allowed representation in the Annual.

2. Sophomore, Junior, and Senior Classes may meet and organize prior to the appointment of the Class Adviser, but the program for the year shall not be undertaken until such appointment has been made. The Freshman Class shall organize one month after the opening of school.

III. House Council.

Student Council has delegated judicial and executive authority to a House Council, an organization which is subordinate to the Student Council and to the Hostess of the dormitory.

1. Personnel:

- (b) Vice-President of Student Council—Advisory member.

(c) Representation—One student from each hall, elected by the students in the respective halls.

2. Duties:

(b) Cases may be referred to the Student Council if the House Council deems it necessary, and a student may have the right of appeal to the Student Council.

(c) All decisions of the House Council shall be posted in the dormitory, and the decisions of cases which are referred to Student Council shall be posted on the Student Government Bulletin Board.

IV. Dormitory Life.

1. Students must be in their respective dormitories by 10:30 p. m., unless special permission to be out later has been given by the Dean of Women. In this case the student must notify the Hostess in charge of her building that she has permission to be out later than 10:30 p. m. and report to her Hostess and the Dean of Women personally when she comes in.

2. Study Hours:

(a) Study hour shall be kept every night except Saturday and Sunday, beginning at 7:15—except Friday nights when it shall begin at 7:30—and ending at 10:15. Dur-

Students are expected to be considerate of others in the use of the telephone.

3. Quiet Hour. At 10:45 p. m., quiet hour shall begin, at which time each student shall be in her own room and remain there until 5:00 a. m.

Radios and musical instruments are to be turned off with the light bell, and there shall be no unnecessary noise.

5. Light Cuts. On Lyceum and Convocation nights and such other times as light cuts are given the program for the evening shall be:

Students returning from such programs should realize that study hour is in progress and enter the dormitories quietly.

6. Saturday Night. A student may spend the night in the room of another student in her own dormitory or in the room of another dormitory on the campus on this night only. If a student is spending Saturday night with another student, she shall consider the latter's room as her own for the night, reporting there not later than 10:30. She must check with her own House President and also with the House President of the dormitory she is visiting.

(a) Breakfast is not compulsory. However, students are urged to attend all meals for the sake of their health.

(b) A student may take lunch in the College Shoppe, in one of the buffet rooms, or kitchenettes in her dormitory, or in an approved eating place in town. She must

check out to that effect in person with the Dean of Women if the meal is taken away from the college and check in on her return.

(c) A student may have dinner in one of the buffet rooms or kitchenettes in her dormitory at the dinner hour provided she checks in person with the House President between 5:30 and 5:50 and rechecks between 6:25 and 6:45.

A student must have written approval from her parents or guardian sent to the Dean of Women in order to have an out-of-town boy placed on this list, and town boys must make arrangements with the Dean of Women in person.

Any young man who has been a party to the campusing of a student is off the calling list and will not be reinstated except at the discretion of Joint Council.

2. Guest Card. A date must call at the office of the Dean of Women on arrival at the campus to get an official guest card for each visit. This card is to be presented to the Hostess in charge of the dormitory in which the student lives.

5. At the end of a dance, an escort may accompany a student to the door of her dormitory, but **must leave immediately** without entering the building.

7. Entertainment of men callers:

(a) A student may entertain only in the parlors or drawing rooms of the dormitory in which she lives.

(b) Students may stroll during the day on any of the walks of the campus, with the exception of the walk between Seaco-beck and the Central Power and Laundry Building and the walk directly around the rear of the E. Lee Trinkle Library.

1. A student may ride with a member of her immediate family, returning to the college not later than 10:30 p. m., or with members of the faculty or the parents of other students by special permission from the office of the Dean of Women. All riding permissions entail checking with the Dean of Women on leaving and returning.

2. A student may travel in a public automobile when hired for business use, without special permission, unless the ride would take her out of the bounds permitted by the College, in which case the student must consult the Dean of Women before the trip is made.

3. In addition to the above regulation, students are permitted to ride to and from such parties given locally as are approved by the College, but in no case shall a student ride with anyone from whom the calling privilege of the College has been withdrawn.

4. Riding in cars at night under any conditions than those indicated in sections 1, 2, and 3 above is forbidden, and is regarded as one of the most serious offenses against College regulations.

5. A student is permitted to accept pick-up rides from her parents, guardians, or from members of the faculty or their wives. Students are not permitted under any circumstances to accept pick-up rides from any one else.

6. Non-resident off-campus students may ride with resident town students to and from the campus only. Riding with students or others under any other circumstance must be with special permission as described in preceding paragraphs.

7. Transportation to and from morning church services must be by approved representatives of the various churches. (See special regulations for Juniors and Seniors attending church services with dates.)

8. Riding with dates. Juniors and Seniors, two or more, may obtain permission from the Dean of Women to ride with dates in the afternoon twice a week until 5:30 provided they have written permission from their parents to this effect on file with the Dean of Women. These rides must be within a radius of ten miles from the campus. Students must sign out with the Dean of Women and check in with her on returning.

9. Riding with any one to whom the College has refused its social courtesies, or with any one whom the College considers undesirable, is forbidden.

B. Horseback Riding:

1. Written permission from parent or guardian must be filed with the Riding Master for horseback riding either for class or recreational riding.

2. A student may ride at the Oak Hill Stables outside class periods if she has checked with the riding instructor and signed to that effect with the hostess of her dormitory.

VIII. Week-End and Holiday Visits.

Students are permitted to make week-end visits at such times as will not conflict with class schedules or college obligations under the regulations indicated below:

1. Students may go home over the week-ends provided they have permission on file from parents or guardian with the Dean of Women to cover the trip. Each student must sign out with the Dean of Women and check in person with her on returning to the College. She must also sign with her dormitory hostess on leaving and returning.

2. Before a student is authorized to spend the day or night out-of-town when not going home, she must obtain written permission for each trip from her parents or guardian, stating the name and address of the hostess, such permission to be sent to the Dean of Women, and on leaving and returning to the College, must check in person with the Dean of Women and her

dormitory hostess. Girls spending the week-end out-of-town must return by 10:30 p. m. Sunday, unless given special permission by the Dean of Women to return later.

3. A student not going directly home from College when she leaves for a week-end, a scheduled holiday, or at any other time, must secure special permission from her parents or guardian and be governed by the regulations in the preceding paragraph 2.

4. When a student is unable to return to the campus at the time expected she should notify the Dean of Women by telephone if possible, unless she is away from the campus on a visit to her own home and then the communication should come from the parent.

5. Students returning from trips must come directly to the College after entering the city limits of Fredericksburg, unless accompanied by a member of their immediate family.

6. Students may, with permission from the Dean of Women, spend the week-end in town only with members of the immediate family.

IX. Trips to Town.

1. General.

(a) Students may go to town only once a day except to religious services or by special permission.

(b) Students shall neither stand nor walk on the streets with young men, nor are they to sit with them in automobiles.

(c) Students must not dress in such a manner as to bring unfavorable comment upon the college group as a whole when on the campus, attending classes, going to town, or on any occasion. Good taste in grooming is the standard to be maintained at all times. Slacks, overalls and other unconventional costumes are not to be worn.

(d) Students must be back on the Hill by 6:00 p. m. except in accordance with special class privileges.

2. At Night:

(a) Students are permitted to go to town to moving pictures or other approved entertainment on Tuesdays, Thursdays and Fridays in accordance with regulations indicated below. (b) Students may, with the permission of the Dean of Women, spend the night in town with members of the immediate family.

(c) Students may take dinner in a home in town, provided an invitation has been extended by the hostess through the Dean of Women and approved by her. Such students must check out with the Dean of Women on leaving the campus and check in on returning, not later than 10:00 p. m. The student must return to the College immediately after leaving the home of her hostess.

3. On Sunday:

(a) Morning Church Services:

(1) Students may go to town on Sunday morning only for Sunday School and Church services, except in cases of special permission.

(2) Freshmen and Sophomores may walk to church with approved escorts on Sunday morning, returning immediately after the services to the College, such students to sign with the Dean of Women on leaving and returning.

(3) Juniors or Seniors may go to church with approved escorts on Sunday morning, either walking or riding and returning immediately after the services to the College. Such students, when riding on leaving and returning to the College must check in person with the Dean of Women.

(b) Evening Church Services:

Students may go to town on Sunday evenings for church services under the following conditions: upper-classmen may attend only in groups of three and the lower classmen in groups of four. If there is a lower classman in the group there must be four. All students must sign to that effect with the Dean of Women and check in on their return.

(c) Visiting in Town. Students may spend Sunday in a home in town provided the invitation is extended to them through

the office of the Dean of Women and approved by her. Such students must check when they leave the College and re-check in person in the office of the Dean of Women not later than 5:45 p. m., except Seniors, who must check in by 10:30 p. m. •

(d) Students are not allowed to go into stores, hotels or other eating places on Sunday, unless by special permission or under special class privileges.

X. Miscellaneous Regulations.

1. Smoking. Smoking by students is discouraged at all times but those who have acquired the habit may, with the consent of their parents, smoke in their rooms only. Smoking under any other circumstances while under the jurisdiction of the College will not be tolerated. Smokers are held strictly responsible for any damage to property.

2. Students may go for rural walks in groups of four or more on any day including Sunday. Rural walks may include special historic places on edge of town as: Brompton, National Cemetery, etc., but this privilege does not include strolling along or on main highways. Students are not to wear shorts, slacks, overalls or any unconventional or abbreviated costumes on these walks, and must sign out with the Hostess of the building in which they live and check in with her on their return not later than 5:30 p. m.

3. The crowded condition of the dormitories makes it inconvenient to have overnight guests. It is not best for parents or guests, therefore, to request over-night entertainment in students' rooms. Any student wishing to entertain a girl friend should confer with the hostess in her dormitory in advance and make satisfactory arrangements.

4. Students may receive men in the dormitories, whether relatives or not, only in the drawing rooms and parlors.

5. Sunday Recreation:

(a) Students may engage in the following activities on Sunday afternoons:

(1) Students may swim from 4:00 to 5:00 p. m., provided they use college swimming suits in the pool.

(2) Students may engage in horseback riding, tennis, and golf after 1:00 p. m.

(b) These privileges are extended to college students only.

6. Sun-bathing must be confined to the tennis courts and to the immediate area of the outdoor swimming pool. It is prohibited on Sunday. Sun-bathers must at all times be properly clad, either in bathing suits or sun suits. Pillows or other College property used will be charged to students if lost or damaged.

7. It is not considered good taste for a student to lounge or sprawl on the campus grounds and students are expected to refrain from doing so.

Interpretation of Strict Campusing.

Student Council or Joint Council may withdraw certain privileges from students who have violated College regulations. The withdrawal of privileges in this manner is known as strict campusing. A strict campused student (1) automatically loses any office she may hold; (2) may not be absent from the campus except by special permission; (3) is not permitted to use the telephone, except by special permission, or to relay messages by telephone; (4) may not attend any entertainment or social function on the Hill; (5) may not have men callers; (6) must go to all meals; (7) may cut no classes; (8) automatically loses any student aid position she may hold; (9) will be recorded as suspended for the remainder of the session if she withdraws voluntarily from the College, except for imperative reasons.

In each case campusing penalties may be waived only by the group which imposed the penalties, that is by Student Council or Joint Council in an official meeting. These groups reserve the right to waive the campusing in cases of emergency where conditions require such action.

Campused students who require dental or medical treatment, upon the recommen-

dation of the college physician, may go to the city for treatment when chaperoned by one of the registered nurses or a member of Student Council.

Campused students are permitted to attend church services on Sunday mornings. Such students must check out and check in with the Dean of Women.

Parents or guardians of campused students will be notified of the causes for the withdrawal of privileges.

Even though camping restrictions have not been imposed, parents or guardians may be notified when a student has been called before the council.

ADMINISTRATIVE REGULATIONS

A. General.

Matriculation at Mary Washington College constitutes an implicit promise and a pledge on the part of the student and her parents or guardian to familiarize themselves with the rules and regulations of the College and Student Government, and to conform to such regulations so long as the student remains in the institution.

Every student is expected to conform to the accepted standards of refined womanhood and to adhere to a high standard of conduct at all times without the necessity of constantly being reminded of detailed rules and regulations. Irregularities which might bring criticism upon the students or the College are not tolerated.

The College reserves the right to request any student whose conduct or general attitude is considered unsatisfactory and not in keeping with the standards of the College, to withdraw even though no specific charge is made against her. Any student who has demonstrated a lack of loyalty, cooperation, ability to make necessary adjustments, or consideration for others, may be notified at the end of the session not to return.

1. A student is under the jurisdiction of the College at all times, and is held directly responsible to the College for her deportment while away on week-end visits or en-

route to and from the College. The only exception to this rule is when she is visiting in the home of her parents or guardian.

2. Drinking, hitch-hiking or other conduct unbecoming to refined womanhood, or which would bring reproach to the student or the College, will not be tolerated and drastic measures are provided for all such offenses.

3. No student living in a dormitory may patronize any store, lunch counter, or other similar place of business except the College Shoppe after 6:00 p. m., with the exception of the nights she is permitted to go to town under college regulations.

4. Convocation and Chapel.—All students are to be seated alphabetically by the Student Government Association. Every student is expected to be in attendance at these exercises and in her regular assembly seat unless excused because of illness or other valid reason.

(a) Each student is entitled to two cuts a quarter from these exercises, but these are not cumulative and cannot be carried over from one quarter to the next.

(b) Student Government is entirely responsible for reporting absences from chapel or convocation, and a student will forfeit one set of class cuts for each three unexcused absences from these exercises.

5. In accordance with the regulation in effect for many years, students will con-

tinue to use Lewis and Cornell Streets in going to and returning from Fredericksburg.

B. Excuses and Class Cuts.

Permission to be absent from College is granted upon written request of parents or guardians. However, such absence does not relieve the student of responsibility for classroom attendance, and is not counted as an **excused** absence from classes except in cases of illness, an emergency, or when covered by class-cut privileges as explained under **EXCUSES** and **CLASS CUTS**.

Parents often do not realize how seriously they affect the College standing of their children by requesting their absence from College when there is no urgent necessity, because, in the strictest sense, an absence from class never can be made up. It is most seriously requested, therefore, that a parent or guardian not call a student away from the College except under the most urgent circumstances.

No student will be permitted to shift her classes or examinations to expedite her leaving the college for the week-end, holidays, or any other reason.

I. Excuses.

All excuses for absence must be submitted directly to the office of the Registrar **within three days after the absence has occurred.**

1. (a) Excuses for illness of students living in college dormitories, whether due to confinement in the Infirmary or necessary visits to the Infirmary during class periods, must be submitted by the College Physician to the Registrar's office.

(b) Excuses for illness of off-campus students must be submitted by the parent, hostess, or attending physician to the Registrar, stating nature of illness.

(c) In order to be excused from classes to consult a physician, dentist, or oculist off the campus, a student must have permission from the College Physician before leaving the campus, and, upon her return, submit a statement from the doctor to the College Physician.

(d) No excuses will be accepted for absences from classes except for personal illness or an emergency such as serious illness in the home. In the latter case, the excuse must come from the parent, guardian, or family physician, to the Dean of the College, with detailed information as to the reason for the absence.

2. Members of the faculty shall deposit in the faculty box at the close of each day a list of all absences on forms provided for that purpose. Excuses and class-cut privileges will be checked against these absences, and any unexcused absences will be taken into consideration in making up students' final grades in accordance with regulations in the catalogue under "Grad-

ing," page 54. All students are urged to attend classes regularly, and not to jeopardize their class standing by unexcused absences, since such absences affect their scholastic standing materially and may mean the difference between failure and passing. No student may receive credit for a course meeting three times a week from which she has been absent more than nine times during the quarter, whether excused or unexcused, or for a course meeting five times a week from which she has been absent more than twelve times during the quarter.

II. Class Cuts.

The following system of class cuts is designed for the purpose of taking care of all other absences from classes not covered under the head of **Excuses**:

1. (a) All students, regardless of their grades, are accorded the privilege of one cut each quarter in each class.

- (b) Students who made no grade below "A" the previous quarter shall be entitled to three cuts in each class carried the current quarter, in addition to the one cut each quarter given all students.

- (c) Students whose grades averaged "B" for the previous quarter shall be entitled to two cuts in each class carried during the current quarter, in addition to the one cut each quarter granted all students.

(d) Students who made an average of less than "B" but not less than "C" on the previous quarter's work shall be entitled to one cut from each class in which they are registered for the current quarter, in addition to the one cut in each class allowed all students.

(e) Since an average grade of at least "C" is required for graduation or recognition of any kind, students who made less than that average the previous quarter are entitled only to the one class cut each quarter allowed all students.

(f) Students transferring from other colleges are entitled to the same privileges for the first quarter here, and the number of cuts is determined by the grades in the college previously attended.

(g) It is not necessary to submit an excuse for class cuts, and these cuts may be taken for any legitimate purpose, social or otherwise. However, before leaving the campus, a student must check out with the Dean of Women whether for the purpose of visiting home or elsewhere, such visits to be in accordance with regulations in the Handbook.

(h) Class cuts are not cumulative and, therefore, cannot be carried over from one quarter to another. In other words, the cut privileges to which a student is entitled if not used in one quarter cannot be carried over and added to those in another quarter. Of course, it is not compulsory

that a student take advantage of her cut privileges, and in many instances she or her parents may not deem it wise for her to do so.

(i) Cut privileges do not apply to student teaching responsibilities or to tests or examinations.

2. Students are advised to keep in close touch with the Registrar's office at all times and be sure that they are in possession of full and accurate information in regard to their class standing and the number of cuts to which they are entitled.

3. Nothing in these regulations and privileges should be construed as changing in any way students' week-end privileges or the status of students who are campused or otherwise deprived of student privileges by Student Council or Joint Council.

4. Each absence from classes immediately preceding or succeeding a holiday will count as two class cuts or, in case the absentee does not have sufficient class cuts to her credit to cover the absence, as two unexcused absences.

5. Students will not be excused from classes or examinations in order to leave early before a holiday or the close of the session except as stated in paragraph 4.

6. Students whose class attendance is unnecessarily irregular and who cut classes excessively beyond the number of absences

allowed may be requested to withdraw from the college at the end of the quarter.

III. Change of Schedule of Courses.

1. All schedules of work must be approved by the Registrar. After a schedule has been approved, the student is not permitted to drop any course or add a new course without permission. During the first week of the term such requests should be made to the Registrar's Office. After the first week, permission must be obtained from the Dean of the College.

2. No credit is allowed for any course taken for which the student has not registered and which is not listed on the approved schedule card filed in the Registrar's Office.

3. Students who drop courses in which their work is reported as unsatisfactory at mid-term will be considered to have earned a grade of "F".

4. Students dropping a course without permission will automatically receive a grade of "F".

5. A fee of fifty cents is charged for each change in courses after one week from the beginning of the quarter.

6. Laboratory or other special class fees are not refunded if the course is dropped more than one week after the beginning of the quarter.

2. The Joint Council shall meet at the call of the chairman or at the request of

any member to review the eligibility of nominees for all officers of the Association, including general officers, House Presidents and Representatives; to hear appeals; to decide outstanding cases of misconduct, or to take counsel touching the interests of the Association.

3. The Faculty Advisers, one of whom shall be chairman of Joint Council, shall be appointed by the President of the College, who will consider suggestions submitted by the Student Council.

ARTICLE VII

Freshman Training

Each year the period of two weeks from the days of arrival shall be regarded as a period of training and orientation for Freshmen and all other new students in the College. No elections requiring the vote of Freshmen shall be held until October 20.

A Freshman Class sponsor is appointed by the administration for the purpose of assisting the Freshmen throughout the entire year.

If acted upon favorably by Joint Council, the proposed amendment shall then be posted for one week, after which it shall be referred to the student body. If two-thirds of the students, provided a quorum is present, vote in favor of the proposed amendment, said amendment shall then become a part of the Constitution.

POINT SYSTEM

1. Offices held by students shall be valued on a percentage basis. No student will be permitted to carry more than 100 percent office load at one time.

2. Any student who is nominated for a major office in any of the classes or major activities in the College and allows her name to stand as a nominee is ineligible for nomination to any other office until the election for this office is over.

If a student does not wish her nomination to hold, she may withdraw her name as a nominee, provided she makes her withdrawal by submitting a written request

to the secretary of the class or organization not later than twenty-four hours after nomination from the floor and previous to its posting. The list of nominees will not be presented to Joint Council for approval until this time has expired.

In case the twenty-four hours expire after 11:00 p. m., the hour for withdrawal will close at 8:00 a. m. the following morning.

3. In order to be eligible for an office, a student must have a "C" average based on work for the two preceding quarters, except in the case of candidates for freshman offices.

A major activity is one that pertains to the whole student body, such as Student Government, Y. W. C. A., "The Battlefield" staff, "The Bullet" staff, "The Bayonet" staff, and the position of May Queen. In addition, departmental organizations, such as the Choral Club, the Athletic Association, the Dramatic Club, or any other organization or activity which might interfere with proper academic preparations, are considered major activities.

Ineligibility caused by conditioned grades cannot be removed by merely making up the grades, unless the conditioned grades were due to illness or enforced absence from the College.

4. A confidential report on the academic status of every student who is a candidate

for office or taking part in a major school activity shall be requested from the Registrar's Office by the secretary of the organization and approved by the adviser of that organization before the nominee's name shall be submitted for consideration.

5. A list of nominees for all officers of college organizations must be submitted to the secretary of Student Government who will check the point rating to see if they are eligible.

6. As soon as the officers in an organization are elected, it shall be the duty of the secretary of the organization to furnish the properly attested list of all officers in the organization to the College Registrar and to the secretary of Student Government. All changes in officers during the year must be carried out in the manner indicated above.

7. The system of rating shall be as follows:

PURPOSE

The realization that our lives, as students, are more than material, more than the pursuit of knowledge, more than the flight after personal happiness, led to the establishment of the Young Women's Christian Association of Mary Washington College. It declares its purpose to be:

We, the members of the Young Women's Christian Association of Mary Washington College, unite in the desire to realize full and creative life through a growing knowledge of God.

We determine to have a part in making this life possible for all people.

In this task we seek to understand Jesus and follow Him.

Y. W. C. A. MEMBERSHIP

Association

It is the privilege of *every* student to become a member of the Young Women's Christian Association of Mary Washington

College. Membership can be attained by pledging oneself to uphold the purpose of the Association. Members may be participants in a Freshman Activity Group or a Committee composed of upper-classmen or they may be associates. Associates are those who do not actively participate in either of the two above groups, but who do uphold the standards of their "Y." These Associates are entitled to a vote in matters concerning the Y. W. C. A. and are privileged to participate in the activities of the Association.

Committee Work

Groups of upper-classmen organized in standing committees make possible the functioning of a wide variety of activities. Members of these committees are active in the planning and execution of the work of their committee.

Freshman Activity Groups

Freshmen members of the Association have the same standing as upper-classmen members. However, instead of working on committees, Freshmen are invited to join activity groups advised by the Senior Commission. From each of the interest groups is chosen a commissioner to represent the group and a portion of the Freshman class in Freshman Commission and Y. W. Cabinet.

These groups continue for the entire Freshman year, leading the Freshmen nat-

urally and easily into further and more active participation in Y. W. committee work during their three remaining years on campus. The work within the activity group is governed by the needs of the Freshmen in the group. Towards this end, discussions and seminars are held, in addition to activities of a more social nature.

Y. W. C. A. Cabinet

The cabinet of Y. W. C. A. is the hub of the Young Women's Christian Association. Members included in the cabinet are the officers, chairmen of the standing committees, ex-officio members from Student Government, Freshman Commission and A. A. President. The officers and chairmen are chosen from members of the Association.

It is the purpose of the cabinet to serve the campus by projecting a Christian philosophy into every phase of College life, by building the physical, developing the mental, and inspiring the social.

Senior Commission

The Senior Commission is comprised of prominent juniors and seniors who are chosen by the Y. W. Cabinet. The Commission works as senior advisers for the Freshman Commission and helps the Freshmen class as a whole to feel more at home on the Hill.

Freshman Commission

The Freshman Commission is chosen to represent the Freshman class in the Y. W. C. A. It is organized in the same manner as the Y. W. Cabinet and cooperates with the Cabinet on many of its activities. One of the highest honors obtained by a Freshman is to be elected a Y. W. C. A. Commissioner.

Y. W. C. A. ACTIVITIES

The Kid Party

The "Kid" Party, scheduled for Friday evening the first week of the Fall Quarter, is anticipated with enthusiasm by students and faculty alike. All freshmen, dressed as little girls, compete for the coveted first prize and the recognition that comes with it. The "kids" parade before three judges, who choose the best "kid" on the basis of childlike simplicity of dress and manner. Gaudy, tacky party costumes are not in order and will be eliminated immediately.

Peanut Week

A week before the Christmas Holidays peanuts shells are distributed in the dining halls. Within the shell is to be found the name of some student to whom one is secretly to "play peanut." The object of the game is for everyone to see how nice she can be to her "peanut" without the latter finding out just who is the thoughtful person. The culmination of the fun comes on

the night of the "Peanut Party," when everyone learns who her heretofore unknown benefactor is.

Y. W. C. A. Teas

The Y. W. teas are held on Sunday afternoons throughout the year and are delightful affairs. Each student is invited to one at some time during the session.

Big and Little Sisters

The Big and Little Sister Plan is sponsored by the Y. W. C. A. and explains why you received a letter from some "nice stranger" who informed you she was your "big sister." Although you had not heretofore been cognizant of the relationship, you were assured such a one existed and were urged to write "real soon" to such and such address.

During the summer each upperclassman desiring a little sister is given the name of an incoming Freshman in order that she may establish a friendship with her and help her in her preparation by answering any questions about the College that may arise. There is always a great eagerness on registration day to hunt out one's sister and "see what she's like."

All during the first few months the big sister helps her little sister to become adjusted and acts as her adviser throughout the year.

Religious Emphasis Week

To increase the spiritual life and interest of the whole student body, "Y" sponsors Religious Emphasis Week, bringing to the campus outstanding religious leadership to counsel and inspire.

College girls, meeting together at various gatherings during this period of particular religious emphasis, whether it be in Morning Watch, in seminars, or in personal interviews, crystallize beliefs and receive fresh impetus to religious activities.

THE ATHLETIC ASSOCIATION

The Athletic Association of Mary Washington College is a member of the national organization—The Athletic Federation of College Women. A sane program of athletics and recreational activities to ease the strain of a busy life and to build efficiency is needed in any college. It is for such purposes that the Athletic Association offers a varied program of activities to meet the growing needs of the students.

Any student enrolled in Mary Washington College is eligible for membership provided she participates in at least one of the activities offered each quarter. Early in September every student is given an opportunity to become a member.

Every student is urged to take part in the various sports and activities offered in order to earn points toward the College letter and sweater. The points are figured according to the "W. A. A. Point System." This point system is included in the Constitution under Article XIII, By-Laws V.

SPORTS

The athletic season begins in the fall with an intramural program of hockey games. At this time archery, tennis, badminton, golf, and volleyball tournaments are featured and a swimming exhibition given by the Terrapin Club.

The winter quarter is taken up with inter-class and dormitory basketball games, fencing, bowling, and swimming events. Several of the autumn sports are carried over into the winter season. The Terrapins sponsor the Inter-collegiate Telegraphic Swimming Meet, followed by the inter-class and Devil-Goat meets.

Softball, tennis, archery tournaments and horse shows are the main activities of the spring quarter. An annual aquacade is sponsored by the Terrapin Club.

All girls are eligible to try out for participation on class teams and are urged to watch bulletin boards for notices of practices.

The Dance, Riding, Swimming, Fencing, and Outing Clubs—five of the major clubs of the Association, present numerous programs throughout the school year and afford many opportunities for participation.

ATHLETIC ASSOCIATION SKIT

This program is presented to the Freshmen during the first few days at College by the A. A. The skit offers a bird's-eye-view of the activities and functions of the Association which provides fun and entertainment throughout the year, resulting in a healthier and happier student body.

SPORT FACILITIES

Ample facilities are provided on the campus for participation in all sports. There is a large indoor swimming pool, well equipped with showers; and an outdoor pool with bathhouse, showers and other facilities.

An archery range, golf course, ice skating rink, and an athletic field are located on the campus. Tennis courts and adjacent bridle paths offer hours of pleasant recreation and enjoyment to the student who takes pleasure in outdoor activities.

The gymnasium has facilities for such sports as volley ball, basketball, badminton, ping-pong, shuffleboard, and dancing.

DEVIL-GOAT

"And the Devil shall be your emblem." Now this is truly no insult, but something that you shall grow to be proud of—so proud, in fact, that you will buy a little red piece of flannel in the shape of a devil and wear it on your sweater to show the world that you belong to the clan of odd year, the Devils.

This Devil-Goat spirit pervades all through the year, showing up in several of the competitive sports. The climax is reached on Devil-Goat Day, in the spring, when each team appears in force, in their respective colors, from the flag rush at 6:00 a. m. to the rally in the evening. The explanation of the whole "devilish" idea is this: students who enter in an odd year are termed Devils, and those entering in an even year are termed Goats. Each year the rivalry between the two clans is great, each side trying for points in each of the many contests sponsored during the school term. At the end of the year, when each class moves up a step, a loving cup is awarded the side that has won the most points during that year.

THE CABIN

Upon the crest of a high hill, in a remote and secluded section of the campus, stands the Cabin. It was built several years ago and many are the frolics that have been held there.

The Cabin can boast of modern sanitary equipment, electric lights, and running water. It has a large fireplace and is fitted up in a rustic fashion.

Blankets, linen, mattresses, china, and cutlery are furnished by the College for any group of students wishing to go to the Cabin for picnic suppers or over-night parties on Saturdays. Reservations must be made with the Cabin Chairman and arrangements made for a member of the faculty to accompany the group as chaperon. Each student must sign out with her own House President. One student, representing the group, must sign out in the Office of the Dean of Women.

You will treasure as some of your happiest hours the nights you spend in the Cabin. There the wind howls on autumn nights and the leaping flames make dancing shadows on the ceiling as an eerie ghost story progresses.

CHURCH DIRECTORY

The churches in Fredericksburg represent practically every denomination and all extend a cordial welcome to the students. While church attendance is not compulsory, all students are encouraged to affiliate themselves with some church during their residence here. The spirit of cooperation between the college and the various local churches is one of mutual helpfulness.
